It's my first summer since you told me that we're over.  
It's my first summer since you went away.  
But don't go thinking there's a chip upon my shoulder.  
Cos I assure you everythings O.K.  
As I'm sittin' on top of the world.

Cos I'm just going crazy,  
I'm just climbing up the wall.  
I just cry myself to sleep at night,  
'wondering why you never call.

You were only all I dreamed of,  
And the only one I want.  
So why should I feel bad about it,  
No it hardly hurts at all.

Each time I see you I get shivers  
And my hand shake.  
And everytime I feel like such a fool.  
But don't you worry if I stumble and  
My voice breaks.  
Cos I assure you everything is cool,  
As I'm sittin' on top of the world.

Cos I'm just going crazy,  
I'm just climbing up the wall.  
I just cry myself to sleep at night,  
'wondering why you never called.

You were only all i dreamed of,  
And the only one I want.  
So why should i feel bad about it,  
No it hardly hurts at all.

Maybe someday you will know what i mean.  
Yeah, you may even fall apart.  
Maybe you'll know how it feels when  
Someone tears it apart, apart.

I'm just going crazy,  
I'm just climbing up the wall.

I just cry myself to sleep at night,  
'wondering why you never call.

You were only all I dreamed of,  
And the only one I want.  
So why should i feel bad about it,  
No it hardly hurts at all.

I'm just climbing up the wall.  
I just cry myself to sleep at night,  
'wondering why you never call.

You were only all I dreamed of,  
And the only one I want.  
So why should i feel bad about it,  
No it hardly hurts at all.
