Song - Nowadays

Do you stil remember twenty five of December
You told me forever, you and I would be together.
The memory stil lingers, the diamond, my finger
The promisse that you'd break, belieaving it was my
mistake

The house, the dreams, the plans it seems
We had to let the picture fade.
And so unfair, but it was clear
We had to go out separate ways.

I wonder what you're like nowadays,
Oh oh, I used to know
Something tells me that you've changed
Oh oh, baby I wonder
Can't lie you cross my mind sometimes
That's why I wonder what you're like nowadays
Oh oh, I wonder, I wonder I wonder.

I find my self missing the flowers that you'd bring
I thought you were my king, so why am I here
reminiscing
It's not that I'm hoping to fix what's been broken
But something so deep is not forgotten easily

I wonder what you're like nowadays,
Oh oh, I used to know
Something tells me that you've changed
Oh oh, baby I wonder
Can't lie you cross my mind sometimes
That's why I wonder what you're like nowadays
Oh oh, I wonder, I wonder I wonder.

I know that you might be loving someone else
But boy I bet that you stil think about me too.
And even though I know that things will never be the
same

I think it's alright, for me to wonder what you're like
