Maria - My Soul

Verse 1:

Why you wanna make me cry  
Aren't you tired of disappointing me  
Don't you know that I deserve better  
Than you ever gave to me  
You know it's just the way  
I give, you take, baby

Chorus:

Every time I'm up then you come around  
And you try to bring me down (My Soul)  
Keeps on telling me that I've gotta let you go (My Soul)  
And with all your lies  
Boy, you've tainted everything  
My soul, I've gotta let you go  
'cause I know you're poisoning my soul

And everything you promised me  
I know it could never be

Verse 2

Remember when you gave me strength  
Baby, now you only make me weak  
I pray somehow that I can break  
The spell you put on me

Chorus:

Every time I'm up then you come around  
And you try to bring me down  
(My Soul) keeps on telling me that I've gotta let you go  
(My Soul) and with all your lies  
Boy, you've tainted everything  
My soul, I've gotta let you go  
'cause I know you're poisoning my soul

And everything you promised me

I know it could never be (I know It could never be)  
Every everything you promised me (promised me)  
I know it could never be

(I can't live without you,I can't live without you, I can't  
live without your love)  
You keep telling me and when you come around I just  
break on down  
'Cause I know you no good, I can't live without your love
