No more talk of darkness,
Forget these wide-eyed fears.
I'm here, nothing can harm you -
My words will warm and calm you.

Let me be your freedom,
Let daylight dry your tears.
I'm here, with you, beside you,
To guard you and to guide you...

Say you love me every winter moment,
Turn my head with talk of summertime
Say you need me with you, now and always
Promise me that all you say is true
That's all I ask of you...

Let me be your shelter,
Let me be your light.
You're safe. No one will find you
Your fears are far behind you

All I need is freedom,
A world that's warm and bright
And you, always beside me,
To hold me and to hide me...

Then say you'll share with me one love, one lifetime
Let me lead you from your solitude
Say you need me with you here, beside you
Anywhere you go, let me go too
That's all I ask of you...

Say the word and I will follow you

Share each day with me, each night, each morning

Say you feel the way I do
that's all I ask of you

Anywhere you go let me go too
Love me, that's all I ask of you...
