V1:

Like a paper card  
Floating in a stream  
I'm trying to pick up  
I'm trying to believe

it's cold outside  
the door is shut  
this broken key  
Is all I've got

[chorus]

don't you ever need, I do  
don't you ever feel, I do  
don't you ever want someone to miss you cause I do  
cause I do

don't you ever cry, I do  
don't you ever break, I do  
don't you ever wanna love someone so much it hurts  
you  
cause I do

V2:

A solitary heart  
A million miles away  
From your ivory tower  
Nothing can escape

I wanna break them through  
Melt the ice  
I wanna get to you  
Am I loosing this fight

[chorus]

don't you ever need, I do  
don't you ever feel, I do  
don't you ever want someone to miss you cause I do

don't you ever cry, I do  
don't you ever break, I do  
don't you ever wanna love someone so much it hurts

you

V3:

I know that it's so much more inside you  
But the walls you build  
Around your heart  
I can't get through  
What if all those walls would crumble  
Would you run away  
Would you let me in  
I need to know

don't you ever cry, I do  
don't you ever break, I do  
don't you ever wanna love someone so much it hurts  
you

don't you ever need, I do  
don't you ever feel, I do  
don't you ever want someone to miss you cause I do

don't you ever cry, I do  
don't you ever break, I do  
don't you ever wanna love someone so much it hurts  
you  
cause I do  
I do , I do
