I have seen true love
Sent from heaven above
Why then can't I dare
To say how much I care

I don't know you well
Still I lie in a spell
I would give up so much
Just for one little touch

But when I'm here, sleeping
When I dream of you
Then I have courage to tell you that
I wanna hold you
In my arms
I wanna hold you tonight
You're the sun, shining so bright
I fell in love with an angel

I can feel so near
Though I'm far from there
I could hold you so tight
And then not see the light
When it's plain to see
That you smile at me
I still think it's not real
That you never could feel

Like me

But when I'm here, sleeping
When I dream of you
Then I have courage to tell you that
I wanna hold you
In my arms
I wanna hold you tonight
You're the sun, shining so bright
I fell in love with an angel

Once in your life you get a feeling
(once in your life you see angels)
The angels that you see is meant just for you

Oh, but when I'm here sleeping
When I dream of you
Then I have courage to tell you that
I wanna hold you in my arms
I wanna hold you tonight
You're the sun, shining so bright
I fell in love with an angel
