"Mad Summer"

Hot in the streets, everyone's on the beach
In the summertime
I walk alone in the shadows where no one can see
I picked up the phone, I tried to call you
Nobody's home, but still I'm calling
You shoot, you don't miss
You sting with your kiss
And I've never felt like this

It's a mad, mad summer
Falling for you
Such a mad, mad summer
So what can I do?
I feel my heartbeat running
Like never before
Yeah it's a mad, mad summer
A mad summer for sure

The city is packed and the air is so heavy and filled
with dust the
Summer is warm and my heart is about to go wild

You drive me insane, what you doin'?
Ain't got no shame, to make me do this
You shoot from the hip, one kiss from your lips
I feel I'm losing my grip
It's a mad, mad summer
Falling for you

Such a mad, mad summer
So what can I do?
I feel my heartbeat running
Like never before
Yeah it's a mad, mad summer
A mad summer for sure

I picked up the phone, I tried to call you
Nobody's home, but still I'm calling
You shoot, you don't miss
You sting with your kiss
And I've never felt like this

It's a mad, mad summer
Falling for you
Such a mad, mad summer
So what can I do?
I feel my heartbeat running
Like never before
Yeah it's a mad, mad summer
A mad summer for sure
