Aaah aah aah aah aah aaaah

Just wanna love, don't wanna care
But we ain't goin' anywhere
As long as I, can't put these thoughts to rest
Of you and her a time before
Did you love her even more?
For all I know

Those words you said, their' in her bed
Are they the same you used on me
Honestly

[Chorus:]
If someone's out there watching over me
Show me there's a better way
Something just to ease the pain
Tonight I cross my heart and hope to die
this isn't who I wanna be
Have mercy over me

I ask no questions tell no lies
I got no need for alibies
But that ain't why I'm diggin' up the past
I should have seen it from the start
You only love with half a heart
Now I know why

I know it's wrong I can't go on
Though in my heart I'll always feel
You were for real

[Chorus:]
If someone's out there watching over me
Show me there's a better way
Something just to ease the pain
Tonight I cross my heart and hope to die
this isn't who I wanna be
Have mercy over me
Aaah aah aah aah aah aaaah
Have mercy over me

Aaah aah aah aah aah aaaah

I know it's wrong I can't go on
Though in my heart I'll always feel
You were for real

[Chorus:]

If someone's out there watching over me
Show me there's a better way
Something just to ease the pain
Tonight I cross my heart and hope to die
this isn't who I wanna be
Have mercy over me
Aaah aah aah aah aah aaaah
Have mercy over me
