Looking back it's very clear  
Finally I know exactly what went wrong  
Since you've been gone  
I wanna find another place  
Where missing you's not hurting me at all  
Ooh I believe I have a chance  
There's a better life waiting for me

I can see a ray of sunshine  
Now the wind and rain has gone  
I'm gonna leave the pain behind me  
Cause I'm riding out the storm  
Now I can see a new horison  
That's not broken down and torn  
Cause your love has made me stronger  
And I'm riding out the storm

Knowing you've forgiven me  
I'm just fighting for the love I almost lost  
Whatever the cost  
Gotta make a brand new start  
Gonna find my way back to your heart

Ooh I believe that I can change  
Cause you're the only one who's there for me

I can see a ray of sunshine

Now the wind and rain has gone  
I'm gonna leave the pain behind me  
Cause I'm riding out the storm  
Now I can see a new horison  
That's not broken down and torn  
Cause your love has made me stronger  
And I'm riding out the storm

Like a ship without a rudder  
Simply drifting along the tide  
But with you I know it's gonna be all right  
I can feel a new beginning here inside

I can see a ray of sunshine

Now the wind and rain has gone  
I'm gonna leave the pain behind me  
Cause I'm riding out the storm  
Now I can see a new horizon  
That's not broken down and torn  
Cause your love has made me stronger  
And I'm riding out the storm
