Yeah I mind that you love me no more  
I won't hide my hurting  
I need a sign that I will be alright  
The tables are turning

I'm not ashamed I'm feeling this way  
(And) I'd be foolish to believe that you're the only one  
to blame

Makes me sad, now you're gone for good  
And I could beg you to come back, but I never would  
And I get so mad, think you could just leave me here  
At least you're never gonna see me cry these wasted  
tears

Peace of mind, escapes me tonight  
But I'll be fine don't you worry  
Guess I'll find a meaning in my life  
I've got time there's no hurry

And it's probably better it ended this way  
Should be thinking of tomorrow instead of yesterday

But it makes me sad, now you're gone for good  
And I could beg you to come back, but I never would  
And I get so mad, think you could just leave me here  
At least you're never gonna see me cry these wasted  
tears

Makes me wanna try my best to change your mind  
Though you hurt my pride  
Thought that we weren't like the rest I guess  
Two wrongs don't make it right  
Where am I to go from here, the road we travelled on is  
gone  
We've reached the endâ€¦ never again

Makes me sad, now you're gone for good  
And I could beg you to come back, but I never would  
And I get so mad, think you could just leave me here  
At least you're never gonna see me cry these wasted

tears
