Is the night tonight
Kiss me baby it's alright
Is the night tonight
I'm the sky and I'm alright
Is the night tonight
Everything will be alright
Is the night tonight
I just know this night is right.

Dangerous, dangerous
Dancing with you close to me
Dangerous, dangerous
No, how this night could be
Dangerous, dangerous
When you slide across to me
Dangerous, dangerous
hmmm?

CHORUS:

DJ tonight will be the night
To fall in love
Play something smooth
DJ tonight will be the night
To fall in love
Get on the groove.

Is the night tonight
Kiss me baby it's alright
Is the night tonight
I'm the sky and I'm alright
Is the night tonight
Everything will be alright
Is the night tonight
I just know this night is right.

Dangerous, dangerous
Dancing with you close to me
Dangerous, dangerous
No, how this night could be
Dangerous, dangerous
When you slide across to me

Dangerous, dangerous
yeah, yeah, yeah?

CHORUS

DJ tonight will be the night
To fall in love
Play something smooth.

Dangerous, dangerous
Dancing with you close to me
Dangerous, dangerous
No, how this night could be
Dangerous, dangerous
When you slide across to me
Dangerous, dangerous
yeah, yeah, yeah?

CHORUS (X3)
