I've crossed lines that I shouldn't have crossed
Done things that I shouldn't have done
Kept on where I should have just stopped
But do I care at all? (no oh)
Said what I shouldn't been said
Seen things that I shouldn't been seen
Done wrong where I should have done right
But does it bother me? (no oh)
Its always don't do this
Its always don' t do that
Well, if you disapprove (too bad)
I don't give a damn
I know who I am
I really don't give a damn
You wouldn't understand
Well, you can say
Whatever you want
Whatever you think
I know who I am
So i really don't give a damn
I've gone where I shouldn't have gone
Back down, what Ive should have been strong
Make one too many mistakes
Im not perfect no (no oh)
Could do what everyone does
Could have gone where everyone goes
Could have been like everyone else
Is that really me? (No oh)
Its always can't with this
Its always can't say that
If you can't deal with it (so sad)
I don't give a damn
I know who I am
I really don't give a damn
You wouldn't understand
Well, you can say
Whatever you want
Whatever you think
I know who I am
So I really don't give a damn
I Know what I Want
I Know what I need

I know what is real
And what's good for me
If I've got the chance
To do it all again
I wouldn't change a thing
This is who I am
It's always don't do this
It's always don't do that
Well, if you disapprove (too bad)
I don't give a damn
I know who I am
I really don't give a damn
You wouldn't understand
Well, you can say
Whatever you want
Whatever you think
I know who I am
So I really don't give a damn
I don't give a damn
I know who I am
I really don't give a damn
You wouldn't understand
Well, you can say
Whatever you want
Whatever you think
I know who I am
So I really don't give a damn
