Its gonna be an uphill battle  
hard to win  
sometimes you wanna give up  
but you cant give in  
you wanna raise that flag  
give all you have  
its all or nothing  
you gotta keep your head held high

(Chorus)  
We gonna be  
glorious  
the best that we can be  
rise or fall  
we gonna make it through it all  
we gonna be  
glorious  
hear the distant call  
from our hearts  
love will be standing tall  
so we can be  
glorious

Its gonna be a laboured journey  
miles to go  
But you don't have to worry  
I won't let go  
I'll be by your side  
We'll reach that high  
We'll climb that mountain  
Together you and I

(Chorus)  
We gonna be  
glorious  
the best that we can be  
rise or fall  
we gonna make it through it all  
we gonna be  
glorious  
hear the distant call

from our hearts  
love will be standing tall  
so we can be  
glorious

when love's victorious  
it shines on all of us  
we're never giving up  
glorious...

(Chorus)  
We gonna be  
glorious  
the best that we can be  
rise or fall  
we gonna rise above it all  
we gonna be  
glorious  
hear the distant call  
from our hearts  
love will be standing tall  
so we can be  
glorious

when love's victorious  
it shines on all of us  
we're never giving up  
glorious...

its gonna be an uphill battle  
hard to win  
but we're never giving up...
