Mhh

Cloak and dagger man, your just like a toxic drug to
me (aha)
Your tantalizing eyes, start a fire in my blood, you see
(aha)

And hey, I know I ought a breakaway

Your killing me tenderly, everytime you look at me
Oh its so bittersweet baby, baby, dont you know what
you do to me
Its cracking my heart in two, just to come close to you
And I can see it in your eyes, a thief of hearts in
disguise

Trapped in your web and I dont wanna be released, oh
no (aha)
Devour by the game, feeling how the stakes increase
(aha)

And hey, I know I oughta breakaway

Your killing me tenderly, everytime you look at me
Oh its so bittersweet baby, baby, dont you know what
you do to me
Its cracking my heart in two, just to come close to you
And I can see it in your eyes, a thief of hearts in
disguise

And though reason tells me get out while you can
But damn you, I want you myself

Your killing me tenderly, everytime you look at me
Oh its so bittersweet baby, baby, dont you know what
you do to me
Its cracking my heart in two, just to come close to you
And I can see it in your eyes, a thief of hearts in
disguise

Your killing me tenderly
