I'D RATHER BE DEAD THAN PLAIN

Lipstick  
A touch of mascara  
Hair gel  
Like a Hollywood actress

Go to the stylist  
A bit of moisturising cream  
And some instant beauty make-up  
Open the door, we're gonna hit the street  
And who cares what they say about us out there

I'd rather be dead than plain, than plain, oh so plain  
I'd rather be dead than plain, than plain, oh so plain

And it's true, that's what we're like  
We love dressing up, we're into showing out  
We don't care what they say about us  
In London, Milan, San Francisco or Paris

And we've come to dance  
To laugh and have some fun  
After so, so much hard work  
You know sometimes women need  
A little, just a little, just a little bit of freedom

Plaster on the make-up, like we always used to  
It helps to give me rhythm, I'm a real little mover  
And if one of my boyfriends tries to stand in my way  
I dance with him a while  
With some drops of Chanel n° 4  
Which always works out cheaper  
Who cares what they say about us out there

I'd rather be dead than plain, than plain, oh so plain  
I'd rather be dead than plain, than plain, oh so plain

And it's true, that's what we're like  
We like dressing up, like showing out  
We don't care what they say about us

In London, Milan, San Francisco or Paris

And we've come to dance  
To laugh and have fun  
After so, so much hard work  
You know sometimes women need  
A little, just a little, just a little bit of freedom

And we've come to dance  
To laugh and have fun  
After so, so much hard work  
You know sometimes women need  
A little, just a little, just a little bit of freedom

I'd rather be dead than plain, than plain, oh so plain  
I'd rather be dead than plain, than plain, oh so plain
