Hanging Around
Where I Was Known
Hanging Around
Now Feeling Alone
Hanging Around
Still Holding My Own
Hanging Around
My, How We Have Grown?

Walking Around
Through The Old Part Of Town
Walking Around
Within A Moment Of Time
Walking Around
Looking Unrefined
Walking Around
Looking Undefined

I Want To Know...

Are You Mine?

Open The Door
Feeling Numb
Feelings For Something
That Never Comes
Feelings For Someone
Who Has Gone
I Have Come
To Send You Home

I Want To Know...

Are You Mine?
