Bonesaw

It's the pressure on the treasure

It's the rip raw rip

It's the blood dripping drip drip drip...

Bonesaw

It's the pressure on the treasure

It's the rip raw rip

It's the blood dripping drip drip drip...

On the kneecap

On the kneecap

Bonesaw

It's the way that you squeeze it

It's the teeth teeth teeth

It's the digging of the blade

It's the teeth teeth teeth

Bonesaw

It's the way that you squeeze it

It's the teeth teeth teeth

It's the digging of the blade

It's the bonesaw

Bonesaw

It's the meat meat meat

It's the hands and the feet

It's the femur and the fibula

Bonesaw

Rip rap rap

Rip rap rap

Rip rap rip

Rip rap rip

Grunt and groan

Gimme that bone, boy

Bonesaw

Rip rap rap

Rip rap rip

Grunt and groan

Gimme that bone, butter boy

Bonesaw

Look at that monkey

Monkey die

Look at that monkey

That monkey is I

It's a rat monkey
Bonesaw
It's the push and pull
Baby, sex is the saw
The saw's cutting through
It's cutting through to you
It's the bonesaw
Stack that meat, Bubba
Work is done
Now let's have some fun with
Bonesaw
Rip rap rip...
Sawing through the spine
Hacking through the hip
Rip rap rap
Rip rap rip
Sawing through the spine
Hacking through the hip, baby
Bonesaw
Bonesaw
It's the pressure on the treasure
It's the rip raw rip
It's the blood dripping
Drip drip drip, baby
Bonesaw
It's the way that you squeeze it
It's the teeth teeth teeth
It's the digging of the blade
It's the bay bay bay bay baby baby
Bonesaw
It's the meat meat meat
It's the hands and the feet
The femur and the fibula
Rip rap rip, baby
Bonesaw
There's a rattle in Seattle
There's some malice in Dallas
There's a dork in New York
Bury me at Wounded Knee
With my bonesaw, baby
Bonesaw
Oh I groan... for my bonesaw
Rip rap rap
Rip rap rip
Sawing through the spine
Hacking through the hip, baby
Bonesaw
