It's a new day 'til the dawn

In your eyes I'm nothing but a lost cause  
It hurts and I can't walk on  
Astray inside everything that I hide  
And I can't find my way back home

When it's time to count the costs  
I am so lost  
And I can't make my way back home

I don't know how to make it  
But I'm not gonna waste this  
It's a new day 'til the dawn

I don't know how to say this  
But I'm not gonna fall for you  
It's a new day 'til the dawn

On my own, I need to be brave now  
In your eyes, heroes never die  
Day by day, I'm living for tomorrow  
Do you like to see me this way

When it's time to count the costs  
I am so lost  
When I can't make it go
