"Nothing Ever Lasts"

Say What You Want
Say What You Mean
Say What You Need
Say What You Feel

Love In The Heart
Lust For The Flesh
Love In The Air
But Lost In The Haze

I Know You Want It
I Know You Need It

Nothing In Life, Ever Lasts...
Don't You Wish It All Could Last,
Even If You Finish Last?

You Take The Flesh
You Make The Cut
You Give The Shot
I'll Take The Hurt

I Know You Want It
I Know You Need It

Nothing In Life, Ever Lasts...
Don't You Wish It All Could Last,
Even If You Finish Last?

You
Will
Lay
Me
Six
Feet
Down
