Tonight I feel something over me  
Something I can't change  
Many nights I have spent sailing  
With many reasons to be brave  
But, Tonight I feel my heart begin to fail me  
And my head begin to fall  
Like two ships crossing their paths  
I see you like a new dawn

My perfect stranger  
Don't sail away  
It was meant to be  
We met this way  
We met this way

So many nights I've been in this place  
The winds haven't blown in 7 days  
I turn to the stars  
And the moon at night  
But the more I look  
The more I lose sight  
And heaven knows that heaven shows  
Places of its glory  
Its moments like these  
And treasures we must seize  
So we can tell the story of...

My perfect stranger  
Don't sail away  
Tell me your secrets  
And be on your way

Hold me here  
Go on and hold me here  
Cause

There's no fear x3

My perfect stranger  
Arms Open wide to me  
Tell me your secrets  
And tell them as you lay

I sing

Hold me now my perfect stranger x3
