I ran my hands through my hair  
Looked behind me, there was no one there  
On the road from your house  
Steady walk, I kept praying  
But I don't know what I was saying  
I just kept moving towards the sunrise

As much as I wanna be found  
As much as I wanna be found  
As much as I wanna be found  
Please don't find me

There are so many things one could say  
All the truth you keep away  
Just to keep from lying by yourself at night  
Well I traded all my love for this  
I traded all my special gifts  
Now I've got nothing left to trade

As much as I wanna be found  
As much as I wanna be found  
As much as I wanna be found  
Please don't find me

'Cause I've been running for a while  
And I'm used to this by now  
You wouldn't want to see a crumbling display  
Of a man with nothing left to say

As much as I wanna be found  
As much as I wanna be found  
As much as I wanna be found  
Please don't find me  
Please don't find me
