Today I heard that someone left this earth
That someone disappeared, left no mark here
Today I heard that someone just got up and left
himself
Lying on the ground

Today is, today is
Today is quiet in my town
Today is, today is
Today is quiet in my town

Today two boys disappeared without noise
And I wish that I was them flying somewhere overhead
And tonight in silence, two lovers hate and find
One is bored, one is angry
But neither one of them is right, oh

Today is, today is
Today is quiet in my town
Today is, oh, today is
Today is too quiet in my town, ooh
Oh, somebody say something, ooh

Today I heard the sound of birds
And I wish that I was anywhere but here

Today is, today is
Today is quiet in my town
Today is, oh, today is
Today is too quiet in my town

Today I heard the sound of birds
And I wish that I was anywhere but here

It's too quiet, too quiet
It's too quite, too quiet
It's too quiet, it's too quiet
It's just too quiet

It's too quiet, it's too quiet
It's too quiet, it's too quiet
It's too quiet, it's too quiet

This town, in here, in here, in here
It's too quite in my town, oh, yeah, yeah
Oh, oh, I sing it out

Today is, today is
Today is quiet in my town
Today is, today
Today is too quiet in my town

Today is, today is
Today is quiet in my town
