I've got this feeling
Running through my side
I've got this feeling
That you don't like my kind

Slow down, keep it down
I'm trying to make some noise here
And I know you, you've found love
But baby, that's no way to show it

Come in
Take a look inside
'Cause I know
You're gonna like this kind

I said slow down, keep it down
I'm trying to be an original
And I know you, you've found love
But baby, that's no way to show it

This is what you wanted to hear
This is what you wanted to hear
Oh, this is what you wanted to hear

Come in, come in, come in
I've been waiting for you
Just take a look inside
See what I can do

I said you might not think that this is for you
But you're never quite sure 'til you try
And I know you, you've found love
But darlin', I don't care

'Cause this is what you wanted to hear
This is what you wanted to hear
Oh, this is what you wanted to hear

Ooh, this is what you wanted to hear
Ooh, this is what you wanted to hear
Ooh, I said, this is what you wanted
Ooh, this is what you wanted to hear

I said, I'm telling you now, yes
I'm telling you now, oh
I'm telling you now, oh
I'm telling you now, oh
