[Sean Garrett:]

[Sean Garrett:]

Calling all young girls 15 plus
Ya'll ain't seen nothin like 2much
Pullin up and ya'll ain't neva seen it trust
But watch how these young boys speak that thang

[Verse 1: Marcel]

We pullin' out top screamin on La Cienaga
Put's em out screamin at some Cali girls
Shawty dey with I done got at her
The way she lookin I can tell she like whoa
Everytime I look she lookin back
They ain't got none of that
Ya'll take the 3, I'm a be in the car
Tryna see just exactly where my mind really at

[Bridge: Marcel]

She just rolled the windows up and gave me a kiss
Said for months she tried to get me alone
She didn't care about anyone watchin
All she kept sayin is I'm a make you grow up

[Chorus: Marcel]

All that shawty kept sayin to me
Is that I'm a make you grow up what's your fantasy?
I ain't neva like that have one put hands on me
She got the wheel and told me shut-up
And it's time for me to grow up

[Bridge: Marcel]

She just rolled the windows up and gave me a kiss
Said for months she tried to get me alone
She didn't care about anyone watchin
All she kept sayin is I'm a make you grow up

[Lil'C:]

Out Cali, we get, tat it,

Then rag it and sit it in
We at it, 15, we status
Didn't have it so get it in
So many of these girls are walkin
Tell 'em park if you need a friend
2much, thatat is us, on yo TV growin up

[Verse 2: Marcel]

At first I couldn't understand what was she on
Cause I'm just 16 and this girl's 21
She said she felt that I needed to know some things
So she just took the situation in her own hands
Oh boy

[Bridge: Marcel]

She just rolled the windows up and gave me a kiss
Said for months she tried to get me alone
She didn't care about anyone watchin
All she kept sayin is I'm a make you grow up

[Sean Garrett:]

You know da pizzle I had to jump in
Let the whole world know who behind all these hits
I made a call, said it's gone cost
But just wait till you get a load of these kids

[Myles:]

When we pull up, we keep it piled up
Chris, Myles, Marcel, and my brotha Milo
That girl with da Loui bag tucked
But she keep lookin at me like she wanna get touched

[Milo:]

Trouble it is, never been in a Pen
But I know what it is, when I need to get in
Don't forget the name, we be 2much
On yo TV growin up

[Bridge: Marcel]

She just rolled the windows up and gave me a kiss
Said for months she tried to get me alone
She didn't care about anyone watchin
All she kept sayin is I'm a make you grow up

[Chorus x2: Marcel]

All that shawty kept sayin to me
Is that I'm a make you grow up what's your fantasy?
I ain't neva like that have one put hands on me
She got the wheel and told me shut-up
And it's time for me to grow up
