When those three words meant something
When a man knew how to romance
Ooh I want it that way just like back in the day

Just remember
What Aretha said
You've got to show me
Oh show me some respect (Respect)
Five minute love just don't mean a thing
So if you want me
To want you
Here's exactly what I'm gonna need from you

I want that old school lovin'
Like when a kiss meant something
When a man, opened doors
And would give up his coat when I'm cold
Bring back that old school lovin'
When those three words meant something
When a man knew how to romance
Ooh I want it that way just like back in the day

Flowers and candy
And diamonds are nice
But I want the things

That money can't buy
Like quality time
Treating me right
Knowing what's on my mind

I want that old school lovin'
Like when a kiss meant something
When a man, opened doors
And would give up his coat when I'm cold
Bring back that old school lovin'
When those three words meant something
When a man knew how to romance
Ooh I want it that way just like back in the day

I want that old school lovin'

Like when a kiss meant something
When a man, opened doors
And would give up his coat when I'm cold
Bring back that old school lovin'
When those three words meant something
When a man knew how to romance
Ooh I want it that way just like back in the day
