My love has no beginning, my love has no end
No front or back and my love won't bend
And I'm in the middle, lost in a spin loving you

And you don't know, you don't know
You don't know, you don't know how glad I am

My love has no bottom, my love has no top, tip-top
My love won't rise and my love won't drop
And I'm in the middle and I can't stop loving you

And you don't know, you don't know
You don't know, you don't know how glad I am

I wish I were a poet so I could express
What I'd, what I'd like to say, yeah, yeah
I wish I were an artist so I could paint a picture
Of how I feel, just what I feel today, yeah

My love has no walls on either side
That makes my love so much wider than wide
And I, I'm in the middle and I can't hide loving you

And you don't know, you couldn't, you don't know
You couldn't, you don't know just how glad I am
How glad

And you don't know, you don't know
You don't know, you don't know
