#### Part 1

I understand  
Your need to switch the roles around  
And despise me for the  
Fact that we didn't last  
And I'll be your punching bag  
If you'll stay in my past.

I understand  
To want to have a mature dialogue  
Is too much to ask  
And I'll be your one regret  
If you'll stay in my past.

#### Part 2

I understand  
You delude yourself, and sleep with  
A different girl  
Each night in order to recover fast  
And I'll let you cheapen sex  
If you'll stay in my past.

I understand  
That we can never speak again  
And your resentment towards me  
Will last  
And I will let you forget me  
If you'll stay in my past.

#### Part 3

I understand  
That you will one day love again  
And that it's selfish of me to  
Want to ask  
If you can only live off the  
Memory off me.

So please stay in my past
