Comfortable as I am
I need your reassurance
And comfortable as you are
You count the days

But if I wanted silence
I would whisper
And if I wanted loneliness
I'd choose to go
And if I liked rejection
I'd audition
And if I didn't love you
You would know

And why can't you just hold me
And how come it is so hard
And do you like to see me broken
And why do I still care
Still care

You say you see the light now
At the end of this narrow hall
I wish it didn't matter
I wish I didn't give you all

But if I wanted silence
I would whisper
And if I wanted loneliness
I'd choose to go
And if I liked rejection
I'd audition
And if I didn't love you
You would know

And why can't you just hold me
And how come it is so hard
And do you like to see me broken
And why do I still care

Poor little misunderstood baby
No one likes a sad face

But I can't remember life without him
I think I did have good days
I think I did have good days

Why can't you just hold me
And how come it is so hard
And do you like to see me broken
And why do I still care
