My love has no beginning, my love has no end
No front or back and my love won't bend
I'm in the middle, lost in a spin loving you
And you don't know, you don't know
You don't know, you don't know how glad I am

My love has no bottom, my love has no top
My love won't rise, and my love won't drop
I'm in the middle, and I can't stop loving you
And you don't know, you don't know
You don't know, you don't know how glad I am

I wish I were a poet, so I could express
What I'd, what I'd like to say, yeah
I wish I were an artist so I could paint a picture
Of how I feel, of how I feel today

My love has no walls on either side
That makes my love wider than wide
I'm in the middle, and I can't hide loving you
And you don't know, you don't know
You don't know, you don't know how glad I am

And you don't know, you don't know
You don't know, you don't know how glad I am
How glad I am, how glad I am
How glad I am, how glad I am
