You self destructive  
Little girl  
Pick yourself up  
Don't blame the world  
So you screwed up  
But your gonna be ok  
Now call your boyfriend  
And apologize  
You pushed him pretty  
Far away last night  
He really loves you  
You just don't always love yourself.

(Chorus)  
And all this time  
Ohhh all this time  
You have had it in you  
You just sometimes need a push  
All this time  
Ohhh all this time  
You have had it in you  
You just sometimes need a push

Think all the mean girls  
That pulled your hair  
Are barefoot now and  
Pregnant there  
And you write pop songs  
And get to travel around the world

(Chorus)  
And all this time  
Ohhh all this time  
You have had it in you  
You just sometimes need a push  
And all this time  
Ohhh all this time  
You have had it in you  
You just sometimes need a push

So you've had some detours  
Some stupid men

Now we know what not  
to do again  
Besides you lucked out  
Finally

(Chorus)  
And all this time  
Ohhh all this time  
You have had it in you  
You just sometimes need a push  
All this time  
Ohhh all this time  
You have had it in you  
You just sometimes need a push

All this time  
Ohhh all this time  
You have had it in you  
You just sometimes need a push

(Fading)  
All this time  
All this time
