I've been walking around all day thinking
I think I have a problem, I think, I think too much
I've been taught to hold back my tears and avoid them
But you make pain into something I could touch

I've been walking around all day, laughing
I think, I'd be better off without you here
And I bet, you're sweet and hard to get over
So I'll cry and people will stop and stare

Now that's okay
Let them stop and stare

'Cause I am fragile
I am hopeless
I'm not perfect
But I am free

I've been walking around all day, waiting
And waiting is all I seem to do
'Cause I never get it unless I'm fed it
But this time I'll just have to
Yeah, this time I'll just have to

And I'm fragile
I am hopeless
I'm not perfect
But I am free

Say you're not around, am I finished?
If you're not around, that's too bad
Hope you're safe and sound, not alone now
'Cause you know I believe in you

I'm still fragile
I'm still hopeless
I'm not perfect
But I am free

And I'm fragile
I am hopeless
I'm not perfect

But I am free

And oh, I am fragile

Hopeless

I'm not perfect

But I am free

Oh, oh, oh, oh

Oh, oh, oh, oh

Oh, oh, oh, oh
