Vague sound of rain  
Pierces through my song again  
But I get distracted by the way his toes move  
When he plays so I let it burn

I just poured my heart out  
There's bits of it on the floor  
And I take what's left of it and rinse it  
Under cold water and call him up for more

And I say, "Baby, yes, I feel stupid to call you  
But I'm lonely and I don't think, you meant it when you  
said  
You couldn't love me and I thought  
Maybe if I kissed the way you do, you'd feel it too"

He said, "I'm sorry  
So sorry  
I'm sorry  
So sorry"

He grabs my wrist  
As my fingers turn into angry fists  
And I whisper why can't you love me  
I'll change for you, I'll play the part

And I say, "Baby, so I feel stupid to call you  
But I'm lonely and I don't think, you meant it when you  
said  
You couldn't love me and I thought  
Maybe if I kissed the way you do, you'd feel it too"

He said, "I'm sorry  
So sorry  
I'm sorry  
I am sorry"
