I ain't gonna marry I ain't gonna settle down
Doggone my soul Lordy mamma
I ain't gonna marry I ain't gonna settle down
I'm gonna lay round here and run you men around

Just when you think that your lovin' man is true
Doggone my soul Lordy mamma
Just when you think that your lovin' man is true...
He's my man, your man, somebody else's
too...woo..woo...yeah

(Instrumental solo)

Big Fat woman with the meat shakin' on her bones
Doggone my soul Lordy mamma
Big fat woman with the meat shakin' on her bones
Every time she shimmy makes a skinny woman leave
her home

I ain't gonna marry I ain't gonna settle down
Doggone my soul Lordy mama
I ain't gonna marry I ain't gonna settle down
I'm gonna lay round here and run you men around.
