You must think I'm crazy, baby
To let you walk outta my life, girl
See anything I do, gonna make it right
I just cant sleep without you girl
Tonight, Tonight, Tonight
When The Night, Night, Night

Tell me girl, what are we really fight for
neither one of us really know
what I got to do, to make you happy babe
Cause I couldn't stand it if you go

Now only a fool wouldn't want you to stay
But I'm not going to play the fu*k*ng fool no way

You must think I'm crazy, baby
To let you walk outta my life, girl
See anything I do, gonna make it right
I just cant sleep without you girl
Tonight, Tonight, Tonight
When The Night, Night, Night

Whatever you want girl
Whatever you needed
You know that I got it
I just need to see you
I...I...Girl

My Pillows are crying out for you baby, oh girl
and when you put that thing on me, it drives me crazy

Now only a fool wouldn't want you to stay
now but I'm not going to play the fu*k*ng fool no way

You must think I'm crazy baby
To let you walk outta my life girl
See anything I do, gonna make it right
I just cant sleep without you girl
Tonight, Tonight, Tonight
When The Night, Night, Night

Last night was a really ruff night

chilling with the ruff type
make a n*gga wanna fight, girl
matter of fact make a n*gga want to, earl
All I do is sit and think about my girl
matter of fact how you just gon leave me
ain't no n*gga other better then c jezzy
huh and that's word to my mother
who gon do your body like me, huh no other
I don't want to sleep alone, Darling just come on home
Baby your all I need Please Please don't make me beg
and plead

You must think I'm crazy baby
To let you walk outta my life girl
See anything I do, gonna make it right
I just cant sleep without you girl
Tonight Tonight Tonight
When The Night Night Night
