Something is said, it sits in my head  
It's been there too long, it's killing me slow  
It's rolling around, it's pushing me down  
It's keeping the good part of me closed

Can't you see that when I find you, I'll find me

Oh I need you to know today I'll wait for you always  
Oh I need you to know today I'll wait for you always

My only weakness, is knowing your secrets  
and holding them close, and hold them tight  
I know the way to silently make you  
smile with my eyes, when you're trying to fight

Can't you see that when I find you, I'll find me

Oh I need you to know today I'll wait for you always  
Oh I need you to know today I'll wait for you always

Cause when I find you, I'll find me

Can't you see that when I find you I'll find me

Oh I need you to know today I'll wait for you always  
Oh I need you to know today I'll wait for you always  
Oh I need you to know today I'll wait for you always

When I find you...  
When I find you...

...I'll find me
