Choosa Loosa by Maria Wilson

(choosa loosa)

you said come round
but you only called because shes away for a while
i said
no way
that dont float my boat
cos second hand loves not my style

sooner or later
you gotta make your mind up
so don't be a choosa loosa

CHORUS

im not waitin in line
im here if you want me
so dont be a loosa
your just wastin my time.
i'll be your girlfriend
but do'nt be a loosa

wake up
break up

with that stupid girl who makes out you less than you
are
she walks
she talks what a miricale
but i'll let you play my guitar
(aw awww)

sooner or later you gotta make your mind up
so dont be a choosa loosa

chorus

im not playin around
im not puttin you down

but your gonna miss me this way
youll be sorry you should worry bout the future
youll be 30 choosin curtains in ikea
(da da da da)

chorus fade
