It doesn't matter if you told me a lie
It doesn't matter just keep changing your alibi
It doesn't matter I don't care, as long as you leave me
I keep on walking down the same old street
I keep on seeing you with her where we used to meet
It doesn't matter anymore. as long as you leave me
As long as it's

Goodbye to Mr alibi
I'm tired of thinking that it's not only you and I
Goodbye, this is a lullaby
A simple song I dedicate to a love that died

You're always telling me I'm wrong when I'm right
You're always saying that it's my turn tomorrow night
Well you can promise me the world as long as you
leave me
As long as it's

Goodbye to Mr Alibi
I'm tired of thinking that it's not only you and I
Goodbye, this is a lullaby
A simple song I dedicate to a love that died

Say Goodbye, Say Goodbye to Mr Alibi
Say Goodbye, Say Goodbye to Mr Alibi

Goodbye to Mr Alibi
I'm tired of thinking that it's not only you and I
Goodbye, this is a lullaby
A simple song I dedicate to a love that died

I don't care just keep changing your alibi.....(repeat to
fade)
