I am thinking of you  
In my sleepless solitude tonight  
If it's wrong to love you  
Then my heart just won't let me be right

'Cause I'm drowned in you  
And I won't pull through  
Without you by my side

I'd give my all to have  
Just one more night with you  
I'd risk my life to feel  
Your body next to mine

'Cause I can't go on  
Living in the memory of our song  
I'd give my all for your love tonight

Baby can you feel me  
Imagining I'm looking in your eyes  
I can see you clearly  
Vividly emblazoned in my mind

And that you're so far  
Like a distant star  
I'm wishing on tonight

I'd give my all to have  
Just one more night with you  
I'd risk my life to feel  
Your body next to mine

'Cause I can't go on  
Living in the memory of our song  
I'd give my all for your love tonight

Just one more night  
Just one more night  
Just one more night

Just one more night  
Just one more night

Just one more night

Just one more night  
Just one more night  
Just one more night

I'd give my all to have  
Just one more night with you  
I'd risk my life to feel  
Your body next to mine

'Cause I can't go on  
Living in the memory of our song  
I'd give my all for your love tonight

Just one more night  
Just one more night  
Just one more night

Just one more night  
Just one more night  
Just one more night

Just one more night  
Just one more night  
Just one more night

Just one more night  
Just one more night  
Just one more night

I'd give my all to have  
Just one more night  
I'd risk my life to feel your body, feel your body  
Feel your body, feel your body, baby, babe

No, I can't go on  
Living in the memory of our song  
I'd give my all for your love tonight

I'd give my all  
I'd risk my life  
I'd give my all to love

Your body next to mine  
'Cause I can't go on  
Go on without your love  
I'd give my all for your love

I'd give my all  
I'd give my all

I'd give my all
