When you get caught in the rain with nowhere to run  
When you're distraught and in pain without anyone  
When you keep crying out to be saved  
But nobody comes and you feel so far away  
That you just can't find your way home  
You can get there alone, it's okay, what you say is

I can make it through the rain  
I can stand up once again on my own  
And I know that I'm strong enough to mend  
And every time I feel afraid, I hold tighter to my faith  
And I live one more day and I'll make it through the rain

And if you keep falling down, don't you dare give in  
You will arise safe and sound, so keep pressing on  
steadfastly  
And you'll find what you need to prevail  
What you say is

I can make it through the rain  
I can stand up once again on my own  
And I know that I'm strong enough to mend  
And every time I feel afraid, I hold tighter to my faith  
And I live one more day and I make it through the rain

And when the rain blows, as shadows grow close  
Don't be afraid, there's nothing you can't face  
And should they tell you, you'll never pull through  
Don't hesitate, stand tall and say

I can make it through the rain  
I can stand up once again on my own  
And I know that I'm strong enough to mend  
And every time I feel afraid, I hold tighter to my faith  
And I live one more day and I make it through the rain

I can make it through the rain  
Can stand up once again  
And I live one more day  
And I, I can make it through the rain

Oh yes, you can

You gonna make it through the rain
