Hmmm

How can I just let you walk away
Just let you leave without a trace
When I stand here taking
Every breath with you ohhhh
You're the only one
Who really knew me at all

How can you just walk away from me
When all I can do is watch you leave
'Cause we've shared the laughter and the pain
And even shared the tears
You're the only one
Who really knew me at all

So take a look at me now
'Cause there's just an empty space
And there's nothing left here to remind me
Just the memory of your face
So take a look at me now
'Cause there's just an empty space
And you coming back to me is against the odds
And that's what I've got to face

I wish I could just make you turn around
Turn around and see me cry
There's so much I need to say to you
So many reasons why
You're the only one
Who really knew me at all

So take a look at me now
'Cause there's just an empty space
And there's nothing left here to remind me
Just the memory of your face
So Take a look at me now
So there's just an empty space
But to wait for you
is All I can do
When that's what I've got to face

Take a good look at me now

'Cause I'll still be standing (standing here)
And you coming back to me is against all odds
That's the chance I've got to take

Yeahh yeah yeah
Take A look at me now
(Take A Look at me now)
