[So So Def]

I don't want a lot for Christmas (Uh, uh)  
There is just one thing I need (Ha, ha, ha)  
(And I...) Don't care about presents (Uh)  
Underneath the Christmas tree (Uh huh)

I don't need to hang my stocking (Yeah)  
There upon the fireplace (Come on)  
Santa Claus won't make me happy  
With a toy on Christmas day (Watch out)

I just want you for my own (Uh huh)  
More than you could ever know (Yeah)  
Make my wish come true (Say what)  
Baby, all I want for Christmas is you... (Ha, ha, ha)  
You... baby

Oh, I won't ask for much this Christmas (Uh huh)  
I won't even wish for snow (Yeah)  
(And I...) I'm just gonna keep on waiting  
Underneath the mistletoe (This Christmas you're gonna  
dance)  
I won't make a list and send it (Ha, ha, ha)

To the North Pole for Saint Nick (Oh)  
I won't even stay awake to  
Hear those magic reindeer click (Come on)

'Cause I just want you here tonight (Me too)  
Holding on to me so tight (Yeah)  
What more can I do  
Baby, all I want for Christmas is you  
You... baby (Slow it down)

All the lights are shining  
So brightly everywhere (I like that)  
(And the sound...) And the sound  
And the sound of children's  
Laughter fills the air (I can feel it everywhere) (Come  
on)

And everyone is singing (Oh, oh)  
I hear those sleigh bells ringing (Oh)  
Santa won't you bring me the one I really need (Uh huh)  
Won't you please bring my baby to me... (Uh, look out)

I don't want a lot for Christmas (Uh huh)  
This is all I'm asking for (Watch out)  
I just wanna see my baby (Uh)  
Standing right outside my door (MC)

Oh, I just want you for my own (Uh huh)  
More than you could ever know (Yeah)  
Make my wish come true (Ha, ha)  
Baby, all I want for Christmas is you...  
All I want for Christmas is you is you... baby (Baby)  
All I want for Christmas is you is you... baby (Uh)  
(Oh...) All I want for Christmas is you is you... baby (Ya  
heard)  
All I want for Christmas is you is you... baby
