If you only knew  
What I feel for you  
If you only lived for me  
And I lived for you  
I'd be in heaven  
My dreams would come true

'Cause all I've ever wanted  
Is you  
And you alone  
And I love you so  
More than you could ever know  
All I've ever wanted  
Is you

If you were my own  
To caress and hold  
I would shower you with love  
And drown within your soul  
Because I live and breathe for you  
And I really need to know  
That all I've ever wanted  
Is you  
And you alone  
And I love you so  
More than you could ever know  
All I've ever wanted  
Is you

Everything I do is for you  
You are every part of me  
And I don't want to face  
Another day  
Alone  
Without your love

'Cause all I've ever wanted  
Is you  
And you alone  
And I love you so  
More than you could ever know  
All I've ever wanted

Is you  
All I've ever wanted  
Is you
