Shattered dreams  
Cut through my mind  
Tragically our love has died  
Memories confine my head  
Bitterly I face the end

Trustingly  
I gave my soul to you  
I let you inside  
Believing your lies

*[Chorus:]*  
And you don't remember  
Every time you told me  
You were mine forever  
For eternity  
And you don't remember  
How you used to hold me  
How we'd melt together  
How you needed me  
How we used to be in love

Stranded here  
In nothingness  
With only tears

And loneliness

Foolishly  
I gave my soul to you  
I let you inside  
Believing your lies

*[Chorus]*

Helplessly  
I fell so deep  
I was so naive  
To let you in  
Why did I let you in  
To my heart

And you don't remember  
Anything that you told me  
You were mine forever  
For eternity  
I know you don't remember  
How you used to hold me  
How we'd melt together  
Together  
How you needed me  
How we used to be  
In love
