I shouldn't have walked away
I would've stayed if you say
We could've made
Everything ok
But we just

Threw the blame back and forth
We treated love like a sport
The final blow hit so low
I'm still on the ground

I couldn't have prepared myself for this fall
Shattered in pieces curled on the floor
Supernatural love conquers all
'Member we used to touch the sky
And

Lightning don't strike
The same place twice
When you and I
Said goodbye
I felt the angels cry

True love's a gift
But we let it drift
In a storm
Every night
I feel the angels cry

C'mon babe can't our love be revived
Bring it back and we gon' make it right
I'm on the edge just tryin' to survive
As the angels cry

Limitless omnipresent kind of love
Couldn't have guessed it
Would just up and disappear in the whirlwind

Here I am
Walkin' on this narrow rope
Wobbling but won't let go
Waitin' for a glimpse of the sun's glow

I know I can stand just pull me back up
Like there ain't no hurricane it's just us
I'm willing to live and die for our love
Baby we can get back that shine

Cause lightning don't strike
The same place twice
When you and I
Said goodbye
I felt the angels cry
True love's a gift
But we let it drift
In a storm
Every night
I feel the angels cry

Come on baby can our love be revived
Bring it back and we're gon' make it right
I'm on the edge just trying to survive
As the angels cry

Baby I'm missin' you
Don't allow love to lose
We gotta ride it through
I'm reaching for you

Baby I'm missin' you
Don't allow love to lose
We gotta ride it through
I'm reaching for you

Lightning don't strike
The same place twice
When you and I
Said goodbye
Felt the angels cry

True love's a gift
But we let it slip
In a storm
Every night
I feel the angels cry
