If you're lonely, and need a friend  
And troubles seem like  
They never end  
Just remember to keep the faith  
And love will be there to light the way

Anytime you need a friend  
I will be here  
You'll never be alone again  
So don't you fear  
Even if you're miles away  
I'm by your side  
So don't you ever be lonely  
Love will make it alright

When the shadows are closing in  
And your spirit diminishing  
Just remember you're not alone  
And love will be there  
To guide you home

Anytime you need a friend  
I will be here  
You'll never be alone again  
So don't you fear  
Even if you're miles away  
I'm by your side  
So don't you ever be lonely  
Love will make it alright

If you just believe in me  
I will love you endlessly  
Take my hand  
Take me into your heart  
I'll be there forever baby  
I won't let go  
I'll never let go

Anytime you need a friend  
I will be here  
You'll never be alone again  
So don't you fear

Even if you're miles away  
I'm by your side  
So don't you ever be lonely  
It's alright  
It's alright
