Oh, my love
Please don't cry
I'll wash my bloody hands
And we'll start a new life

I ripped out his throat
And called you on the telephone to
Take off
My disguise
Just in time
To hear you cry
When you
You mourned the death
Of your bloody valentine
The night he died
You mourned the death
Of your bloody valentine
One last time

Saying
Oh, my love
Please don't cry
I'll wash my bloody hands
And we'll start a new life
I don't know much at all
I don't know wrong from right
All i know is
That I love you tonight

There was
Police and
Flashing lights
The rain came down
SO hard that night
And the
Headlines read
A lover died
No tell tale heart
Was left to find
When you
Mourned the death

Of your bloody valentine
The night he died
You mourned the death
Of your bloody valentine
One last time

Saying
Oh my love
Please don't cry
I'll wash my bloody hands
And we'll start a new life
I don't know much at all
I don't know wrong from right
All I know is
That I love you tonight

Oh oh oh
oh oh oh

he dropped you off
I followed him home
Then I
Stood outside his bedroom window
Standing over him he begged me not to do
What I knew I had to do
Cuz I'm so in love with you

CHORUS 2X
