You guide my body  
Like a body guard  
Wish you could stay  
For little while x4

V1  
I look for comfort  
From you  
Nobody else for me  
Ony you hold the keys  
For me  
Say that you all thing I do  
I need your comfort  
Like a body guard

V2  
You take it away  
Everytime I see you  
That I see you  
My heart drop  
Everytime you come around  
I think I need you  
Watch me  
Ike a body guard

Chorus  
Your time is like a body guard  
like a body guard baby  
Wish we could stay  
For little while x4

V3  
I look for comfort  
From you  
Nobody else for me  
Say that you all thing I do  
I need your comfort  
Like a body guard repeat

V4  
I need time

Like a body guard  
Like you with me  
Guarding all that you can  
Guarding my body  
For me  
Your time is like a body guard  
Like a body guard baby  
Wish we could stay  
Like a body guard
