Bring it on home

We just everyday people  
Tryin' make it through the pain  
Yet, we intentionally hurt each other  
Playing silly games

But when it comes down to win or lose  
Don't give up the fight  
Cause strength is what we need  
And love can save our lives

Bring it on home  
You can bring it home  
Bring it on home  
I know we gon' bring it home

So when you're down and frustrated  
Let 'em all keep debating  
Because we gon win  
And everybody be prepared to do the best that you can  
do cause I know we goin in

Bring it on home (bring it on, bring it on home)  
You can bring it home  
Bring it on home (yeah, yeah)

I know we gon bring it home

Bring it, bring it, bring it, bring it, bring it  
Bring it on home  
Cause we gon, we gon, we gon, we gon, we gon  
We going in

Everybody say yeah, yeah  
Go to bring it home  
Yeah yeah  
I know we can bring it home

We gonna, we gonna, we gonna win  
Go on and bring it home  
We going, we going, we goin win

Go on and bring it home

Bring it on home  
You can bring it home  
Bring it on home  
I know we gon' bring it home

(Come on everybody....)

Bring it on home  
You can bring it home  
Bring it on home  
I know we gon' bring it home
