[Mariah Carey & Akon\Intro:]

This is for my people who just lost somebody  
Your bestfriend, your baby, your man, or your lady  
Put your hands way up high (Put 'em way up high)  
We will never say bye, never, no, no (Never say  
goodbye)  
Momma's, daddies, sistas, friends & cousins (Yeah)  
This is for my people who lost they grandmothers  
(Yeeeeaaaahh)  
Lift ya hands to the sky (Lift 'em way up high), 'cause  
we will never say bye (Never say goodbye)

[Akon\Verse 1:]

I know, I know you're gone, I know i'll see you again  
One thing that I can promise, we gon' meet up again  
Hopefully up in heaven, prayin' that i'm forgiven  
For everything that i've done, and that I forgot to  
mention  
It feel so bad to be without my homie  
And ever since you've been absent i've been so lonely  
Why does our life cycle around like a trophy  
Even though know somebody took the time to warn me  
That you cant be with me and it's just crazy  
And everyday i'm wishin' that you come save me  
And I know a man ain't supposed to cry  
It's taken all the strength in my soul to say goodbye

[Mariah Carey\Chorus:]

Bye, bye [22x]

[Bye Bye Remix ft Lil Wayne & Akon Lyrics On ]

[Mariah Carey\Verse 2:]

And you never got the chance to see how good i've  
done  
And you never got to see me back at number one  
I wish that you were here to celebrate together  
I wish that we could spend the holidays together  
I remember when you used to tuck me in at night  
With the teddy bear you gave to me that I held so tight  
I thought you were so strong  
That you can make it through whatever  
It's so hard to accept the fact you're gone forever

I never knew I could hurt like this  
And everyday life goes on like  
I wish I could talk to you for awhile  
I wish I could find a way try not to cry  
As time goes by  
And soon as you reach a better place  
Still I'll give the whole world to see your face  
And I'm right here next to you  
It feels like you gone too soon  
The hardest thing to do is say bye, bye

[Mariah Carey\Chorus:]  
Bye, bye [22x]

[Lil' Wayne\Verse 3:]  
How come they call it goodbye?  
How come the good die?  
See I just get high and think of the good times  
That I had with my pops, he was a good guy  
How come the good die?, as i protect my mother  
'Cause i'm her oldest son, and there are different  
worlds  
And we in the coldest one, which one did granny go to?  
And why do death come?, As my baby ask where do  
babies come from  
I tell her where, I tell her why  
And I tell her I love her until I tell her bye  
And whenever I shall ever die, I hope you celebrate it  
I hope you never hated, and they say heaven's gated  
But I think I know the code, and let's get your life right  
By the end of the road, that's why I drive alone down  
memory lane  
So if I crash I hope ya'll remember Wayne!

[Mariah Carey\Chorus/Outro:]  
I never knew I could hurt like this  
And everyday life goes on like  
I wish I could talk to you for awhile  
I wish I could find a way try not to cry  
As time goes by  
And soon as you reach a better place  
Still I'll give the whole world to see your face  
And I'm right here next to you  
It feels like you gone too soon  
The hardest thing to do is say bye, bye

Bye, bye [22x]

It's hard to say bye, bye, bye, bye  
So come on somebody say it with me  
Wave ya hands up high,

'Cause this is for my peoples who just lost somebody  
See this is for everybody, just lift ya hands to the sky  
'Cause we will never say bye, bye
