I still remember  
That haze of september  
I've been waiting for somebody like you  
To come back around

Verse 1:  
We would walk in the park  
Every Saturday  
Brand new  
All in love  
Kissing time away  
You was all up on me  
It was plain to see  
That I was your girl

Way back when it was the simple thing  
Anklets, Nameplates  
That you gave to me  
Sweet tarts, Ring pop, and that candy bling  
And you were my world

Now I wish I could go back and make time stop  
I would take this love throwback from the top  
Go dj play my song  
And imma think about you all night long  
Back in the days we were in love  
Were not in love anymore  
But someday  
I sit and wish we was in love again  
Back in the days we were in love  
Were not in love anymore  
But someday  
I sit and wish we was in love again

Irresponsible Things we would do like  
Fall asleep on the phone and skipping school  
Now I'm back to the future missing you

My sweet baby  
My sweet thang  
Like candy  
Felt like real love

Not just play play  
Sayin your my sweet baby

It was everything that I could do  
To stay awake  
And I often reminisce  
About the games we played  
Ohhh yeah  
It was Tac, Chess spin The Bottle  
Then butterflies were in last till tomorrow  
Then the lights came on  
I had to run right home

Now I wish I could go back and make time stop  
I would take this love throwback from the top  
Go dj play my song  
And imma think about you all night long  
Back in the days we were in love  
Were not in love anymore  
But someday  
I sit and wish we was in love again  
Back in the days we were in love  
Were not in love anymore  
But someday  
I sit and wish we was in love again

Irresponsible Things we would do like  
Fall asleep on the phone and skippin school  
Now I'm back to the future missing you

My sweet baby  
My sweet thang  
Like candy  
Felt like real love  
Not just play play  
Sayin your my sweet baby

I'm the same mimi  
Fame ain't change me  
Butterfly flow  
Like Mohamed Ali  
Wish I can bring you back  
Like the O.D.B  
Thinkin bout the world  
Plus me you and Jack

No mather what I do  
Well the memories are stacked  
Thinkin bout 10th grade  
Thinkin bout eleven  
When you went thug

And fresh outta the heaven heaven heaven

Back in the days we were in love  
Were not in love anymore  
But someday  
I sit and wish we was in love again  
Back in the days we were in love  
Were not in love anymore  
But someday  
I sit and wish we was in love again

Irresponsible Things we would do like  
Fall asleep on the phone and skip school  
Now I'm back to the future missing you

My sweet baby  
My sweet thang  
Like candy  
Felt like real love  
I just...  
Sayin your my sweet baby
